

Dear Ukrainian Colleagues,

We are ABSL (Association of Business Service Leaders in Poland), an organization that represents **225 companies** - Polish firms as well as internationally recognized, well-established, global organizations.

The companies offer excellent job opportunities for a whole range of candidates - from entry-level to more senior roles. Our member companies operate mainly in the biggest Polish cities: Warsaw, Cracow, Katowice, Wroclaw, Poznan, Tri-City, Lodz, and Szczecin. But there are also numerous remote working job offers, which do not require the candidates to live in these cities.

On our **JOB PORTAL**, you will find excellent quality job and internship offers.

Apart from professional development opportunities, all the employers offer:

- excellent onboarding
- a large number of training and upskilling programs
- a wide range of other benefits

The modern business services sector is one of the biggest and fastest growing industries in the world. The sector in Poland, currently employs over 355,000 people.

Begin a successful career with the best employers in Poland and be part of a business services community!
