**His Excellency
Professor Stanislaw Mazur
Rector
of Cracow University of Economics**

Dear colleague!

Your invitation letter is a great pleasure for me and for SUTE, which testifies the respect and friendship that unite our universities, as well as all Polish-Ukrainian relations in general. This is especially evident in terms of the tragic events of recent months for Ukraine, your comprehensive solidarity and assistance that we value immensely.

For obvious reasons, unfortunately, I will not be able to come to your university this time to be present personally at the solemn and elegant events that are always greatly organized by your University. Therefore, I am forced to confine myself to sincere congratulations to the academic and the entire staff of glorious Cracow University of Economics on your University Day.

We appreciate our long-term fruitful ties with CUE and look forward to further deepening them despite today's situation.

We sincerely wish you personally and all the staff new scientific and academic achievements for the benefit of the friendly Polish people, further internationalization of education, and all of us - a peaceful sky!

Looking forward to our continued cooperation
